

International Ozone Association

EUROPEAN - AFRICAN - ASIAN - AUSTRALASIAN GROUP EA₃G

Unique association that gathers the scientific and technical community around fundamental, engineering and applied aspects of technologies involving ozone or advanced oxidation systems for any purpose

START / RENEW YOUR SUBSCRIPTION FOR 2022 AND ENJOY MANY ADVANTAGES

The EA₃G Group represents the living strength of IOA in about 40 countries. Its mission is to develop educational and scientific activities to respond at the best to the needs of industry and research community in the fields of ozone and advanced oxidation.

The Association is a non-profit making international organisation. Membership is open to any individual or corporation having a direct or indirect interest in the development and advancement of technologies involving ozone and related compounds technologies. Membership entitles numerous benefits resulting from collaboration of professionals from various specialities and parts of the world. You can apply by filling the application form to transmit to IOA-EA₃G Secretariat (contact details below). One-year subscription rates are listed according to membership categories. Questions? please contact our Secretary.

Topics covered in the activities program include

Ozone generation, secondary oxidant generation, advanced oxidation, gas mass transfer, chemical reactions of ozone in gas and liquid phases, scientific and engineering aspects, health protection, water treatment for disinfection and pollutants removal, oxidation for agri-food processing, for pulp bleaching, for industry products manufacture and conditioning, development of analytical procedures and materials, development of equipments for ozone use, research and development on applications of advanced oxidation processes, safety and health, environment preservation, regulations, full-scale applications, quality assurance...

Major events

- Webinar series: Ozone based solutions to fight pathogens and related epidemics – Over the year
- Conference, Autumn 2022, Toulouse (France)
- 26th IOA World Congress, Summer 2023, Milan (Italy)
- Book publishing:
 - Ozone in Medicine
 - Ozone and Advanced Oxidation for removal of microcontaminants in wastewaters

Visit www.ioa-ea3g.org for updates.

Membership in IOA gives you the opportunity to

- Get the latest information on research topics, current issues, technologies under development, new applications and equipments in connection with ozone and derived or comparable oxidants through publications and events.
- Meet colleagues and experts working in your interest fields, collaborate with them to share experiences and debate positions, establish business contacts via IOA network.
- Get and extend knowledge about ozone & related oxidants, advanced oxidation processes participating at conferences, writing papers for publication.
- Take part in programs for a wide admission of potentialities offered by ozone-based technologies.

IOA-EA₃G membership provides

- Listing with free copy in the annual Directory of IOA Members, for access to the world's top specialists,
- Free bi-monthly IOA Newsletter, Ozone News, which highlights scientific and technical topics and reports IOA activities,
- Free bi-monthly IOA Journal, Ozone: Science & Engineering, which presents peer-reviewed research papers covering all aspects of ozone and related species issues,
- Free access to Members area on www.ioa-ea3g.org for on-line consultation of IOA Membership Directory, IOA publications, Literature review, Patents survey...
- At least 25% discount on registration fees to all IOA events,
- At least 20% discount on IOA publications: books, scientific and technical reports, conference proceedings,
- Free diffusion of technical information in Ozone News, heading Industry News
- Listing of companies in the Guide to Industry; Public Area of www.ioa-ea3g.org, advertising with special rates
- International recognition for contributions through annual awards program.

Categories and annual rates

INDIVIDUAL SUBSCRIPTION

ES	Student Membership Students engaged in academic work related to IOA scope that supply a supporting letter from their supervisor	60 €
EI	Individual Member Individuals interested in ozone technology and the aims and activities of the Association	175 €
EA	Academic Member Academic and non-profit organisations wishing to maintain awareness in the field of ozone application and technology	175 €
EL	Individual Member from Low Income Countries* and Past Member Retired (a written proof is needed) <small>*Afghanistan, Burkina Faso, Burundi, Central African Republic, Chad, Congo, Dem. Rep., Eritrea, Ethiopia, Gambia, The, Guinea, Guinea-Bissau, Haiti, Korea, Dem. Rep., Liberia, Madagascar, Malawi, Mali, Mozambique, Niger, Rwanda, Sierra Leone, Somalia, South Sudan, Sudan, Syrian Arab Republic, Tajikistan, Togo, Uganda, Yemen, Rep., Algeria, Angola, Bangladesh, Benin, Bhutan, Bolivia, Cabo Verde, Cambodia, Cameroon, Comoros, Congo, Rep., Côte d'Ivoire, Djibouti, Egypt, Arab Rep., El Salvador, Eswatini, Ghana, Honduras, India, Kenya, Kiribati, Kyrgyz Republic, Lao PDR, Lesotho, Mauritania, Micronesia, Fed. Sts., Moldova, Mongolia, Morocco, Myanmar, Nepal, Nicaragua, Nigeria, Pakistan, Papua New Guinea, Philippines, São Tomé and Príncipe, Senegal, Solomon Islands, Sri Lanka, Tanzania, Timor-Leste, Tunisia, Ukraine, Uzbekistan, Vanuatu, Vietnam, West Bank and Gaza, Zambia, Zimbabwe</small> <small>Source: World's bank GNI per capita < 4 045 \$ (Atlas method, current US\$) https://datahelpdesk.worldbank.org</small>	100 €
SO	Additional subscription for hard copy of Ozone: Science & Engineering Journal (opened to members of the ES, EI, EL and EA categories) Electronic access to Ozone: Science & Engineering is provided to all members. (Company representatives receive both versions)	50 €

CORPORATE SUBSCRIPTION

CyA	Company with less than 10 employees , for ONE nominated representative	600 €
CyB	Company with more than 10 employees , for TWO nominated representatives	900 €
AM	Additional Member (Join as representative of their Company at a reduced subscription rate)	175 €
